

THOUGHTZ 4 TOTZ

VERY SILLY SONGS
FOR CHILDREN

Written By Ian Rae

Songs and videos may be watched and
downloaded from

www.Thoughtz4Tots.org.uk

Never stick your teeth back with glue

Never stick your teeth back in with glue
If they drop out that is not the thing to do
For new teeth need the places
And they'll fill up all the spaces
Never stick your teeth back in with glue
Never stick your teeth back in with glue

Lenny is a lion

Lenny is a lion the loudest one alive
He roars away all through the day
But stops at half past five
Why does he stop at half past five?
That's when he has his dinner
And if he roared and then just snored
He'd end up being thinner

It takes a brave brave man

It takes a brave brave man to play the bagpipes
They make an awful noise each time they play
They sometimes come down south
Hanging out a Scotsman's mouth
Though they're better
If you keep them locked away
They're better if you keep them locked away

Oliver the Octopus

Oliver the octopus slept both day and night
A rather cowardly octopus
Who'd rather run than fight
"Forewarned is forearmed" was written on his hat
But Oliver was eight armed so that's the end of that

Never wear a rabbit on your head

Never wear a rabbit on your head
They're furry so they'll make your face go red
My advice to you - it's not the thing to do
Never wear a rabbit on your head
I met a man I can't remember where
Whose head was shiny and completely bare
He said that wearing rabbit
Was quite a useful habbit
For from a distance rabbit looks like hair
For from a distance rabbit looks like hair

Penny the Penguin

Penny is a penguin who one day lost her heart
To Paul a mighty polar bear
So their love is poles apart

Miles and Miles of Smiles

When things are going wrong
You need a silly song
A silly song to get you through the day
For every time you smile
Life starts to be worthwhile
Just watch your problems disappear away
Miles and miles of smiles
Can make it all worthwhile
Just watch your problems disappear away
So sing a silly song and it won't take very long
Till the miles and miles of smiles
Have saved the day

Soapy Bubbles In My Bath

Every day I like to play
With soapy bubbles in my bath
Watch them till they're washed away
The soapy bubbles in my bath
Lovely jubbily when my bath is bubbily
It makes me want to laugh - ho ho
Night and day I'd like to play
With soapy bubbles in my bath

Healthy Food

Healthy food is very good
It makes you big and strong
If you agree then join with me
To sing this little song (Again)

A Swede goes "Oo dee oo dee oo"

All the books I read
Say that turnip tastes like swede
To tell the difference this is what you do
You can always recognise if it's turnip by it's size
And a Swede goes "Oo dee oo dee oo"
"Oo dee oo dee oo oo dee oo dee oo"
Oo dee oo dee oo dee oo dee oo"
Now you know how to succeed
And I think we have agreed
That a Swede goes "Oo dee oo dee oo"

Splish Splash Splosh

Splish splash splosh I'm playing in the pool
Splish splash splosh I'm looking rather cool
Splish splashing here and I'm
Splish splashing there
In the sun it's so much fun
Just splashing everywhere

Little Rex

Some kids like small puppies or tiny little cats
Some like baby hamsters or even little rats
But I just want the one pet that nobody expects
The only pet I'd get is a Tyrannosaurus Rex
Tyrannosaurus Rex Tyrannosaurus Rex
The only pet I'd get is a Tyrannosaurus Rex
Tyrannosaurus Rex Tyrannosaurus Rex
The only pet I'd get is a Tyrannosaurus Rex

Put That Little Bit of Litter in the Bin

When you're travelling around
Don't drop litter on the ground
Put that that little bit of litter in the bin
Tell all the friends you meet
"Don't drop litter on the street"
Put that little bit of litter in the bin
Wrappers, paper card it's not so very hard
Put that little bit of litter in the bin
If there's no bin to be found
Keep it safe not on the ground
Till you put that bit of litter in the bin

A Wonderful Machine

Driving in my motor car is fun
People smile I wave to everyone
Stop at the red light go again on green
Don't you think my motor is a wonderful machine

Driving in a big red bus is fun
People smile I wave to everyone
Stop at the red light go again on green
Don't you think a red bus is a wonderful machine

Driving in railway train is fun
People smile I wave to everyone
Stop at the red light go again on green
Don't you think a big train is a wonderful machine

Driving in my rocket ship is fun
Going fast I can't see anyone
No need for red lights nowhere to be seen
Don't you think a rocket ship's a wonderful machine

Please and Thank You

Boys and girls who are polite
Say please and thank you knowing that it's right
Bless me excuse me when they sneeze
Bless me excuse me thank you and please

If you wish to be polite
Say please and thank you every day and night
Bless me excuse me when you sneeze
Bless me excuse me thank you and please

Manners

One Three Five Seven and Nine

1 3 5 7 and 9

See the odd numbers go up in a line

2 4 6 8 and 10

Even numbers going up again

10 8 6 4 and 2

Even numbers coming back to you

9 7 5 3 and 1

Isn't it odd that we're back where we've begun

Little Sad Rag Doll

The rain may fall but I don't care
I don't need skies of blue
You're just a little sad rag doll
But you've got me and I've got you
We dream of castles in the air -
Of frogs and princes too
You're just a doll but I don't care
For you've got me and I've got you

Rabbits Don't Wear Glasses

Mummy always tells me to try with all my might
To eat up all my carrots (to help me see at night)
For rabbits eat their carrots
To help improve their sight

And rabbits don't wear glasses
So Mummy must be right
Mummy must be right She always gets it right
I don't know how she always gets it right
So rabbits eat their carrots
To help improve their sight
And rabbits don't wear glasses
So Mummy must be right

Music Is In the Air

Music is in the air - listen it's everywhere
The buzzing of bees or the wind in the trees
Music is everywhere Music is all around
Listen you'll hear every sound
Birds when they're singing
Or bells that are ringing
Music is all around

Back Trouble

Harry is a hedgehog who likes to hide away
He tries to stay far from the beaten track
He sleeps all through the winter
Every night and day
But he hates it when he rolls upon his back
He rolls upon his back
Then quickly rolls right back
It hurts so much to roll upon his back
It's hard to sleep all winter- every night and day
When you know you just can't
Roll upon your back

Simon was a snail who thought that he would fail
If he didn't own a little country shack
But he forgot one thing - he was carrying
His own little house upon his back
He packed what he could pack
In the house upon his back
Then set off looking for a country shack
He didn't get too far - it's hard without a car
When you're carrying your house upon your back

Walking Through The Jungle

Walking through the jungle what do I see
Two big eyes staring at me
Move a little closer what can it be?
Look out it's a lion
(Roaring sound Lips licking sound)
(Roaring sound Lips licking sound)

Walking through the jungle what do I see
Two big eyes staring at me
Move a little closer what can it be?
Look out it's a python
(Hissing sound hissing sound Lips licking sound)
(Hissing sound hissing sound Lips licking sound)

Walking through the jungle what do I see
Two big eyes staring at me
Move a little closer what can it be?
Look out it's a gorilla
(Beating chest sound Lips licking sound)
(Beating chest sound Lips licking sound)

Walking through the jungle what do I see
Two big eyes staring at me
Move a little closer what can it be?
Look out it's a crocodile
(Snap snap snap snap snap)
(Snap snap snap snap snap)

Here We Are On Planet Earth

Here we are on planet earth travelling round the sun
At sixty seven thousand miles an hour
That's fast for anyone
We see the stars and planets
We even have a moon
I'd like to be an astronaut and blast off very soon
And blast off very soon

5-4-3-2-1 Blast off

If I Had A Drum

If I had a drum I'd play it every day
Bang Bang Bang Bang This is how I'd play
I'd play it when I'm happy, play it when I'm sad
Bang Bang Bang Bang Drive everybody mad

Russell Hill Road Nursery

Russell Hill Road, Nursery
Everybody knows it's the place to be
Piano and songs, animals and fun
It's the best place for everyone

LITTLE FAIRY At THE BOTTOM OF THE GARDEN

Lit-tle fai-ry at the bottom of the gar-den
Please come out to-day
If you whistle at the bottom of the gar-den
Will you watch us as we play
Whis-tle whis-tle whis-tle whis-tle
Watch us as we play

ST PATRICKS DAY

Everyone from Ireland
No matter where they stay
Like to celebrate when it's St Patrick's Day
There's food for everyone
And then they drink
Ribena and they have a lot of fun
